Invitation

5G-ACIA “Industrial 5G Day 2026” in Shanghai

September 3, 2026

5GACIA “Industrial 5G Day 2026” in Shanghai

September 3, 2026

TIME

Registration: 08:00 am – 09:00 am

Conference & Exhibition: 09:00 am – 05:00 pm

Get Together: 05:00 pm – 07:00 pm

VENUE

Crowne Plaza Shanghai Jinxiu

399 Jinzun Rd, Pudong,
Shanghai, China, 200125

HOW TO GET THERE

5GACIA “Industrial 5G Day 2026” in Shanghai

5GACIA “Industrial 5G Day 2026” in Shanghai

September 3, 2026

INDUSTRIAL 5G IS HERE

The Automation Industry is undergoing a fundamental transformation based on technologies such as machine learning, digital twin, XR, and collaborative robots. These innovative technologies will enable benefits such as flexible manufacturing, predictive maintenance, and higher efficiencies in general. Industrial communication technologies will be an essential foundation to this next level of value creation in factories of the future.

Industrial 5G provides significant benefits in highly dynamic manufacturing environments. Already today, we see a significant pickup of 5G technology in Industrial IoT.

Interested parties can gain benefit based on a provided overview of different application cases. 5G-ACIA - the leading international organization to promote and shape 5G in the connected industry - together with Huawei, invites you to the Industrial 5G Day in Shanghai.

Attendees will get insights on key features of Industrial 5G, including use cases, applications and success stories. First industrial deployments allow to learn, how to use 5G in specific industrial environments, what to consider during integration with legacy industrial ethernet and many more hands-on aspects.

Beyond that, the participants will also get an overview of the next steps in Industrial 5G technology.

The Industrial 5G Day is focusing on providing experts and decision-makers in industrial automation and digital transformation a solid basis for understanding the potential of Industrial 5G.

DEMOS AND SHOW CASES

The Industrial 5G Day will be accompanied by a set of demos and show cases on how to use 5G for industrial use cases. Members and Partners of 5G-ACIA will share their experience with demos, trials and first deployments of Industrial 5G. The 5G-ACIA DemoWall will give a comprehensive overview on 5G device ecosystem from multiple suppliers of industries.

Direct contacts to solution providers and experts on Industrial 5G can be established.

TARGET AUDIENCE

Target audience are experts and decision-makers from the following groups: Potential users of Industrial 5G, OT equipment and network vendors, companies building and/or operating 5G networks for the industry, vendors for industrial equipment interested in evaluating the integration of 5G, vendors offering industry automation and communication solutions, players in adjacent ecosystems.

LANGUAGE

English-Mandarin Chinese simultaneous interpretation.

AGENDA

The agenda will consist of three sessions with insights from industries. Details of the program will be shared shortly.

Part I: Opening session

- Welcome remarks
- 5G-ACIA overview (5G-ACIA leadership)
- Keynotes from industrial leadership

Part II: Application from industries

- Industrial 5G proof of concepts, trials, evaluation, early deployments
- Where 5G is already being used and tested in industry today

Part III: Success stories and Added value by Industrial 5G

- Accomplishments of 5G-ACIA, value for members
- What are the next steps for Industrial 5G
- Future enablers to strengthen this emerging market

REGISTRATION FOR NON 5G-ACIA MEMBERS

Please register until August 16, 2026.

[Online registration - Details >>](#)

The Organizers reserves the right to the final decision.

See you in Shanghai!

If you have any questions related to your visit to the event,
please do not hesitate to contact us!
